- Stock with horizontal and vertical adjustment, and insulated cheek.
- 7-round single-stack polymer magazine + 1 in the chamber.
- EVO folding system in lightweight alloy, very resistant.
- Ergonomic and interchangeable handle with palm rest
- 45 MoA action rail made of special steel
- Anschutz type lower rail for mounting a bipod
- Victrix ProAngle removable muzzle brake with 3 forward-angled chambers.
- Plate in AISI 420.
- PVD finish on the mechanism and the breech.
- Victrix Sporting Plus trigger with two-position top safety, standard adjustment of approximately 500 gr and gold finish trigger lever.
- Mouth net protector
- Explorer Cases carrying case cod. 13513
- User manual and welcome kit
- **Rifle scope and bipod not included**

The Victrix Armaments Throne is designed to meet the needs of the most demanding precision shooters. Its one-piece aircraft aluminum chassis ensures exceptional rigidity and perfect stability, even in the most extreme conditions.

The cold-hammered stainless steel barrel ensures consistent accuracy and exceptional durability. The smooth-action locking system allows for fast and accurate reloading, ideal for tactical engagements and intense competitions.

The fully adjustable stock offers tailored ergonomics, ensuring optimal comfort and perfect shooter alignment. Its integrated Picatinny rail facilitates the installation of high-precision optics and advanced tactical accessories.

Whether you are a professional competitor, military sniper or long-range shooting enthusiast, the Throne guarantees you an exceptional shooting experience, where every detail is designed to maximize your performance.
