- Mouth thread protector
- Barrel in AISI 630 machined from solid with a removable 20 MoA rail in light alloy
- Cylinder head with two asymmetrical rear legs arranged at a 60 degree angle, with a quick disassembly system, a double extractor and an ergonomic and interchangeable cylinder head lever.
- PVD finish on the action and slide
- Victrix Sporting Plus single-stage adjustable trigger with two-position safety: standard setting approximately 250 gr (8.82 oz)
- Heavy duty reinforced carrying case
- User manual and welcome kit
- **Scope and bipod not included**

The Victrix Armaments ORB Small Bore is designed to deliver exceptional shooting performance in .22LR caliber. Its aircraft aluminum chassis ensures optimum strength and lightness, providing unmatched maneuverability on the firing line.

Its cold-hammered stainless steel barrel ensures consistent, long-lasting accuracy, essential for competitions or intensive training sessions. The smooth locking mechanism and adjustable trigger system ensure total control with every shot.

Its ergonomic stock, adjustable in length, cheek height and inclination, offers optimal comfort for extended sessions. The integrated Picatinny rail allows you to attach precision optics and tactical accessories for a personalized shooting experience.

Ideal for sport shooting, training and learning precision shooting, the ORB Small Bore is an essential choice for demanding shooters.
