Victrix rifles designed for demanding small bore sport shooters.

The Victrix Scepter Small Bore is the perfect weapon for precision shooters looking for a reliable and high-performance tool in .22LR caliber. Developed for sport shooting and demanding competitions, it combines high-precision mechanics, ergonomic design and advanced customization to ensure exceptional results with every shot.

- Original rifled & lapped barrel in AISI 416R steel
- Stock with multiple horizontal and vertical adjustments and insulated adjustable cheek piece, equipped with an Anschutz type rail on the lower face
- 10-round single-column polymer magazine + 1 in the chamber
- High-strength monobloc chassis in light alloy
- Lightweight alloy front profile equipped with a lateral M-LOK® system and QD (Quick Detach) attachments, an integrated Anschutz-type rail in the middle and an integrated Arca rail along the entire length
- 20 MoA Picatinny rail on the action housing.
- Comes with Explorer carrying case & protective bag, user manual and welcome kit.
- Ergonomic, interchangeable zero-angle flat top handle for standard AR platform
- 20 MoA action rail
- Victrix ProAngle Venus V removable muzzle brake with 4 forward-angled chambers
- Short action in AISI 630 produced from the billet through milling and turning with finishing on electroerosion and grinding machines. Bolt with three asymmetrical lugs: first lug on top of the barrel in a vertical position (at 12 o'clock) and two side lugs arranged at a lift angle of 105 degrees; equipped with grooves and interchangeable bolt lever
- Matte PVD finish on the receiver and polished PVD finish on the slide

- Victrix Sporting Plus Single-stage adjustable trigger with two-position safety: standard setting approx. 400 grams (14.11 oz)
- Protective bag for safe transport
- Explorer transport case cod. 13513
- User manual and welcome kit
- **Riflescope and bipod not included!**

The VENUS V series will be perfect for long distance shooting (TLD) but also for the new shooting discipline, the PRS (Precision Rifle series)

A benchmark in long-range shooting (TLD)

The manufacturing and machining quality of VICTRIX weapons make them very precise rifles, where only performance counts.

VICTRIX is a must for shooting competitions such as the King of 2 miles, the King of 1 mile or the prince of 1 mile.

Smooth mechanics, a high-precision barrel, premium materials. All the components needed for incredible groupings.
