TK0002	SOF Raven Outlaw CPM 3V knife	D	14	26	227.76	694.00 € incl. tax

The Raven features an original reverse grip handle, with a rear finger groove and junction at the pommel.

Toor built the Raven with a 5.5" blade for heavier tasks. Its extra high bevel offers longer sharpening time and reduced weight, leaving a perfect balance between the blade and the handle in hand. Feather textured handles with fluted grooves provide ultimate comfort and grip, along with an iconic aesthetic.

The Toor Knives Raven Outlaw combines ruggedness and efficiency in a perfectly optimized tactical format. Its harpoon-style blade made of CPM-3V steel is precision heat-treated, providing a long-lasting sharpness and exceptional resistance to wear and impact.

The ebony wood handle provides a natural, comfortable and secure grip, even in extreme conditions. The blade's Black Oxide finish adds additional protection against corrosion and reduces glare, ensuring maximum stealth during tactical missions.

The tungsten carbide breakaway ball integrated into the handle transforms the Raven Outlaw into a multi-tool, ideal for survival and extraction situations. Complete with a brown FlexTech Kydex sheath, it ensures secure carry and quick access in critical moments.

Designed for military, security professionals and adventurers, the Raven Outlaw is the embodiment of power and precision.
