- Weight 7.2 oz (200g)

The Toor Knives Krypteia-S "Heavy Metal" is much more than a fixed knife: it is a tactical tool designed to meet the demands of the most critical missions. Its premium steel blade offers exceptional resistance to corrosion and wear, ensuring optimum durability even in harsh environments.

The ergonomic handle is made of G10, an ultra-resistant composite material, which guarantees a firm and comfortable grip, even underwater or in wet conditions. Its slim profile allows for discreet carrying, ideal for security professionals and special forces.

The Krypteia-S features a customizable Kydex sheath, ensuring secure carry and quick access when needed. Its minimalist, tactical design makes it the preferred choice for operators seeking performance and reliability in the field.

With its "Heavy Metal" finish, it embodies the perfect balance between functional power and aggressive aesthetics. Whether for a tactical mission or an adventure in the wilderness, this knife is ready to face any challenge.
