This set includes 1 Molle Mount clip and all mounting hardware that can be attached vertically or horizontally to your Toor scabbard.

Designed by DOTS, the Molle-Lock from Toor Knives is a durable and effective clip for attaching your holsters and accessories to MOLLE-compatible equipment. Each clip, long enough to pass through two MOLLE loops, provides a stable and adaptable attachment. The system allows for vertical or horizontal installation on Toor holsters, providing maximum flexibility for organizing your gear.

Features :

- **Design:** Heavy duty DOTS attachment for MOLLE systems
- **Compatibility:** Toor Knives cases and other compatible accessories
- **Installation:** Vertical or horizontal mounting
- **Dimensions:** Length suitable for passing through two MOLLE loops
- **Material:** Polymer resistant to demanding tactical conditions
- **Included:** 1 Molle-Lock clip and all necessary mounting hardware

Instructions :

- Align the first and third holes in the mount and sheath.
- Take the female rod and slide it through the back of the holes in the sheath.
- Insert the rubber bushing between the bracket and the sheath.
- Insert the screws through the bracket, securing it to the female rod.
