The Inside Waistband Belt Clip from Toor Knives is the essential accessory for carrying your knife safely and discreetly. Designed with durable and wear-resistant material, it offers excellent stability even in the most demanding conditions.

Compatible with various Toor knife models, this clip easily attaches to your belt, ensuring a firm hold without slippage. With its low profile, it allows for concealed carry for tactical missions, personal defense or outdoor activities.

This clip is ideal for professionals such as law enforcement, military, security officers and survivalists. Whether you are on a tactical operation or exploring in the wilderness, it ensures you have immediate and secure access to your blade.

Instructions :

- Align the two bottom holes with the 3rd and 4th holes in the sheath.
- Slide the two female posts through the back of the holes in the sheath and slide the rubber rings between the posts and the clip.
- Replace the clip on the rings and screw it on.
