An exceptional rifle for professionals

The **Schmeisser AR15 S4F M-LOK** stands out for its solid construction and high performance. Designed in Germany with premium materials, it is specially designed to meet the needs of professional shooters, gunsmiths, law enforcement and intervention groups. Its .223 REM caliber guarantees controlled power and precision adapted to short and medium distances, ideal for tactical shooting and control of complex situations.

Compact and versatile

With a 10.5-inch barrel, this model ensures optimum maneuverability in tight environments, while maintaining formidable accuracy. The bronze anodized finish not only offers a refined design but also

protection against wear and the elements.

M-LOK System: Advanced Modularity

The **M-LOK** rail system allows for complete customization, compatible with a wide range of tactical accessories such as lights, grips or lasers. This rifle adapts perfectly to the specific needs of each user.

A Falke red dot for fast acquisition

The pack includes the **Falke red dot**, renowned for its robustness and optical clarity. Easy to mount and adjust, it guarantees fast and precise target acquisition, even in low light conditions. It is designed to withstand shocks and the most extreme weather conditions.

Additional features:

- **Materials:** Aircraft aluminum alloy for increased lightness and strength
- **Standard Magazine:** Compatible with standard AR15 magazines
- **Adjustable gas system:** Recoil reduction and better management of firing cycles
- **Quick assembly:** Designed for operations without complex tools

The perfect ally for snipers

This package is a complete solution for those looking for both a premium assault rifle and reliable optics. Ideal for security professionals, gunsmiths and sport shooters looking for optimal performance.
