Rifle semi-automatic AR15 rifle gun 18 '' inherited from the famous Armalite sté and reinterpreted by Schmeisser on stringent qualitative criteria.

The **Schmeisser DMR RAL 8000 18" Cal. .223 REM** combines exceptional shooting performance with a rugged, modern design. Featuring an 18-inch barrel for long-range accuracy, this rifle is designed for shooters who demand reliability and efficiency. Its RAL 8000 finish offers a distinctive tactical style, while its M-LOK system allows for advanced customization with various accessories. Whether for strategic missions or sport shooting sessions, the DMR RAL 8000 stands out as a reference.

- Lothar Walther barrel, burnished matte black.
- Non-reflective and dirt-repellent coating.
- Adjustable trigger from 1000 to 2750 g.
- Handle adjustable to hand size.
- Adjustable cheek rest and butt plate.
- Picatinny rail: 4.
- Supplied with bipod: 17.5 - 24.5 cm.

A rifle for long-distance precision

The **Schmeisser DMR RAL 8000** is the ideal choice for shooters seeking maximum precision at intermediate and long distances. Thanks to its 18-inch barrel, it guarantees a stable trajectory and

unmatched accuracy. Its .223 REM caliber offers a perfect compromise between power and low recoil, ideal for precise shots.

A distinctive tactical design

The **RAL 8000** finish, with its tactical sand tint, gives this rifle a unique style while offering increased resistance against the elements. Perfect for demanding operational environments, it combines aesthetics and performance.

Advanced modularity with the M-LOK system

The **M-LOK** rail, integrated into this rifle, allows for complete customization. Easily add tactical accessories such as bipods, lights or optics to adapt the weapon to any mission or shooting session.

High quality materials

Made of aeronautical aluminum, the **DMR RAL 8000** is built to last. Its lightness and robustness make it a reliable weapon in the most demanding situations. Its adjustable stock and ergonomic controls guarantee optimal comfort, even during prolonged use.

Additional features:

- **Advanced ergonomics:** Ambidextrous controls for intuitive handling.
- **Adjustable Gas System:** Allows for customization of firing cycles for a smooth experience.
- **Compatibility:** Works with standard AR15 magazines.
- **Simplified maintenance:** Quick disassembly for easy cleaning.

A weapon designed for the elite

The **Schmeisser DMR RAL 8000** is much more than a rifle: it is a precision tool designed to meet the expectations of the most demanding shooters. Whether you are a professional in operation or a sports shooter looking for optimal performance, this rifle will meet your needs.
