- 21mm MILSTD 1913 Picatinny/Weaver rail on the top
- M-LOK mounting system for better grip, greater lightness and to improve barrel cooling.
- Made of high quality 6082-T6 Aluminum
- Length: 15.5" or 381 mm
- Weight: 350g

A handguard designed for precision and performance

The **Schmeisser 15" Aluminum Handguard** is specially designed for AR15 rifles equipped with long barrels. Its extended length guarantees a comfortable grip and better stability, essential for precise shooting and tactical missions.

Aeronautical aluminum: robustness and lightness

Made from **aeronautical aluminum**, this handguard combines remarkable strength and optimized weight. Its black anodized finish protects against abrasions, corrosion and external elements, even in the most demanding conditions.

Advanced modularity with the M-LOK system

Thanks to the **M-LOK** system, this handguard allows for total customization. Easily add accessories such as lights, bipods, tactical grips or lasers, to meet all your specific needs. This system also guarantees a quick and

secure installation.

Optimized ergonomics for increased performance

The ergonomic design of the Schmeisser handguard provides a natural grip, improving weapon control and reducing fatigue, even during long shooting sessions. It is also designed to minimize vibration, improving shooting accuracy.

Additional features:

- **Versatility:** Compatible with a wide range of tactical accessories.
- **Enhanced Stability:** Perfect for precision shooting and tactical environments.
- **Modern Design:** Adds a professional and tactical aesthetic to your AR15.

The ideal accessory for demanding shooters

Whether you are a professional in operation or an avid sport shooter, the **Schmeisser 15" handguard** is a top choice. Its advanced design and modularity make it a must-have to enhance the performance of your rifle.
