

| SKU     | Designation   | French Law  | Caliber | MSRP               |
|---------|---|-------------|---------|--------------------|
| SHZ0039 | Schmeisser Norec muzzle brake cal. 9mm Para & 338Lap AR-9 M14x100 | Vente libre | 9 x 19  | 149.00 € incl. tax |

### Designed to minimize recoil and upward impact.

The **Schmeisser Norec muzzle brake** is a premium accessory designed to significantly improve the control of your weapon. Compatible with **9mm Para** and **.338 Lapua** calibers, it effectively reduces recoil and muzzle rise, allowing you to remain accurate and fast on your targets. With an **M14x100** thread, it easily installs on AR-9 platforms or other suitable weapons. Made with robust materials and careful workmanship, it guarantees consistent performance and exceptional durability.

#### Technical characteristics:

- **Compatible calibers:** 9mm Para and .338 Lapua
- **Thread:** M14x100
- **Material:** High strength steel
- **Finish:** Matte black, resistant to extreme conditions
- **Weight:** Optimized to not unbalance the weapon
- **Recoil Reduction:** Significant for better control
- **Assembly:** Easy and secure

#### Benefits

- Noticeably improved recoil management, allowing more accurate shots and reducing user fatigue.
- Increased durability and reliability through the use of high-quality materials and an element-resistant design.

**Conclusion** This compensator is the ideal accessory for AR15 users looking to improve their shooting accuracy while benefiting from a durable and resistant solution. Its ease of installation and performance make it an essential choice for enthusiasts and professionals.
