Equipped with a lamp or laser cable management system. Available in black or FDE

- Machined from reinforced polymer
- M-LOK attachment
- Textured surface for better grip
- Lamp and Laser Cable Management System
- Developed for "Barricade" type use

The STRIKE INDUSTRIES Cobra Link Grip not only acts as a foregrip improving weapon control.

Its cable management system allows you to organize your lamp or laser with remote switch to place the cables against the handguard, and store the excess cable within the handle.

Its angle makes it easier to grip the weapon and control shots at high rates of fire.

Its design also allows for "Barricade" type use for stable shots on support.
