Maximum capacity and proven reliability: optimize your SIG Sauer Pro 2009/2022 with the Mec-Gar 17-round magazine, designed for unmatched performance.

The **Mec-Gar magazine for SIG Sauer Pro 2009/2022**, calibrated in **9mm**, offers an extended capacity of **17 rounds** to meet the needs of the most demanding shooters. Equipped with an **anti-friction coating**, it guarantees a smooth and reliable feeding, even in the most intensive situations. Made of robust steel and equipped with a high-strength polymer follower, this magazine combines durability, ergonomics and performance. Whether you are a professional, a competitor or a passionate amateur, this magazine is an essential choice to maximize your shooting skills.

Technical characteristics:

- **Compatibility:** SIG Sauer Pro 2009 / 2022
- **Caliber:** 9mm
- **Capacity:** 17 shots
- **Material:** High quality steel for optimum robustness
- **Finish:** Anti-friction coating for smooth feeding and wear protection
- **Follower:** High performance polymer to prevent firing incidents
- **Spring:** Stainless steel for exceptional longevity
- **Baseplate:** Ergonomic and discreet for rapid reloading

Increased capacity for optimal performance

The **SIG Sauer Pro 2009/2022 9mm 17-Round Mec-Gar Magazine** is ideal for extended sessions and competitions. Its extended capacity reduces interruptions in shooting, allowing you to focus on your accuracy and speed.

Anti-friction coating: smooth and reliable feeding

Thanks to its **anti-friction coating** , this charger offers fast and regular cartridge feeding. This innovative treatment reduces internal wear and guarantees constant reliability, even under intensive use.

Robust and durable construction

Made from **high-quality steel** , this magazine withstands the stresses of heavy-duty shooting and harsh conditions. Its stainless steel spring and high-strength polymer follower ensure reliable performance with every shot.

Optimal ergonomics and compatibility

Specifically designed for the **SIG Sauer Pro 2009 and 2022** models, this magazine integrates perfectly with your weapon. Its ergonomic baseplate facilitates handling and guarantees fast and safe reloads.

Additional features:

- **Maximum capacity:** 17 shots to extend your shooting sessions.
- **Proven reliability:** Reduced incidents through advanced design.
- **Easy maintenance:** Quick disassembly for simple and efficient cleaning.
- **Professional Aesthetics:** Complements the sleek and functional design of your weapon.

A must-have accessory for SIG Sauer Pro enthusiasts

The **Mec-Gar 17-round magazine** is designed to deliver consistent performance and exceptional durability. Whether for competitions or recreational shooting sessions, it will perfectly meet your expectations.
