**Easily remove military crimps from your cases with the Lyman Primer Housing Reamer.**

The Lyman Primer Housing Reamer is designed to efficiently remove primer crimps from military cases, as well as rough metal edges inside the primer housing. Featuring an ergonomic molded handle, it provides a comfortable grip, making the process of preparing cases for reloading easier.

The AUDERE torque screwdriver allows precise and compliant tightening of collars as well as monobloc mounting of shooting glasses.

It is also suitable for all tightening operations requiring precise torque.
