Special IWA version for this HERA ARMS with its tungsten gray colored polymer elements.

An AR15 that stands out from the crowd thanks to its color, but also thanks to the equipment it is equipped with. Its CCS stock has a cheek rest in Multicam Black, all its polymer elements are dyed tungsten gray and it comes with a vertical front grip as well as a modular 10-shot magazine.

Its innovative muzzle brake adopts an external thread for the quick QD mounting of a Bore Lock compatible silencer.
