The Kriss Vector in 22 long Rifle available in Black and FDE

- 6.5" barrel made of 4140 chrome moly steel with Black Nitride finish
- Twist rate 1:16"
- 1/2x28 thread
- MILSPEC 6-position telescopic stock
- Comes with two 10-round magazines, flip-up sights, maintenance kit.
- Ambidextrous fire selector

An affordable and fun version of the Kriss Vector, for fans of the platform.

Its 22Lr caliber will also delight beginner shooters looking for an unusual weapon.

An iconic platform in the weapons industry using innovative and high-performance recoil management technology.

Equipped with a breech with a delay in opening, its recoil movement is downward, in order to counter the effect of raising the barrel. The KRISS Vector thus provides maximum stability, reduced recoil, even at high rates of fire.

Its sleek and atypical design makes it a legendary and essential weapon, offering an alternative to the usual platforms encountered on firing ranges.

Significant compactness, for great responsiveness when shooting.
