A fully equipped TLD Rubis Tactical 20 rifle.

This package includes the BCM RT-20 precision rifle, equipped with a heavy 61 cm barrel with MRR profile for optimal gas sealing and reduced internal friction, thus maximizing range and accuracy. The ergonomic, folding and fully adjustable stock ensures a stable and comfortable shooting position. The package also includes a Kastelberg heavy bipod, an Audere monobloc mount and a TLD Microdot FFP 6-24x50 scope, offering a complete solution for demanding shooters.

Technical characteristics

- **Caliber** : .308 Winchester
- **Barrel length** : 61 cm
- **Barrel profile** : MRR (Multi Radial Rifling) for better gas sealing and reduced friction
- **Stock** : Folding, fully adjustable, with vertical grip for optimal ergonomics
- **Handguard** : M-LOK system for adding additional accessories
- **Magazine** : Removable, Accuracy International AICS compatible, 7-round capacity
- **Weight** : 5.99 kg
- **Total length** : 121 cm

Technical lexicon

- **MRR (Multi Radial Rifling) Profile** : Type of barrel rifling providing better gas sealing, reducing friction and improving projectile accuracy and velocity.
- **M-LOK System** : Modular accessory attachment interface allowing easy and secure installation on the weapon's handguard.
- **FFP (First Focal Plane)** : Type of scope where the reticle changes size with magnification, allowing precise distance estimates at all scales.

This rifle will allow you to shoot precisely further than its rivals and improve your performance. The whole thing has been designed to achieve an incredible shooting experience, between the fluidity of its mechanics, the precision of its barrel, and its innovative design. Its ergonomic stock with vertical grip allows the shooter to have a natural, stable and non-fatiguing position.
