| PBR102310 | Embout levier de culase boule RUBIS | Vente libre | 23.00 € incl. tax |

Quick and easy installation for an immediate improvement in the ergonomics of your weapon.

Specially designed for the RUBIS range of rifles, this ball-shaped bolt lever tip provides easier and more comfortable handling of the bolt lever. Made of robust material, it ensures increased durability and fits perfectly with the existing lever, thus facilitating rearming operations, even with gloves or in difficult conditions.

Adding this ball-shaped tip to the bolt handle of your RUBIS rifle allows for faster and more efficient recocking, reducing fatigue during extended shooting sessions. Its ergonomic design improves control and fluidity of movements, providing an optimized shooting experience.
