The ultimate shotgun for demanding tactical operations.

The SDASS PRO TELESCOPIC STAGE 2 is a 12/76 mm caliber pump-action shotgun, featuring a 51 cm barrel with cantilever and Cerakote Carbon Grey jacket. Its telescopic stock with comb offers an adjustable length from 265 to 340 mm, adapting to the specific needs of professionals.

- **Caliber** : 12/76 mm (12-3")
- **Barrel length** : 51 cm with cantilever
- **Barrel bore** : TRIBORE HP
- **Choke** : INNER HP ACCURACY
- **Capacity** : 7+1 cartridges
- **Stock** : Telescopic with comb, adjustable length from 265 to 340 mm
- **Weight** : 3.44 kg
- **Sights** : Adjustable and folding diopter, folding front sight

Design and Ergonomics

The SDASS PRO TELESCOPIC STAGE 2 is designed to provide optimal ergonomics. Its telescopic stock with comb allows for precise length adjustment, ensuring comfort and adaptability for each user. The barrel jacket, finished in Cerakote Carbon Grey, offers increased protection against wear and harsh environmental conditions.

Technical Glossary

- **Cantilever** : Support fixed to the barrel allowing the installation of optics without affecting accuracy.
- **TRIBORE HP** : Specific bore technology improving ballistic performance and reducing recoil.
- **Choke INNER HP ACCURACY** : Internal device modulating the dispersion of projectiles for increased precision.

Standards and Certifications

The SDASS PRO TELESCOPIC STAGE 2 is tested at a pressure of 1630 BAR, surpassing the usual standards, guaranteeing optimum safety and reliability. It also complies with CIP standards for the use of steel balls.

Comparison with other models

Compared to the SDASS PRO FORCES STAGE 2, the TELESCOPIC model offers an adjustable stock, allowing for increased customization for different body sizes and preferences. In addition, its cantilevered barrel facilitates the installation of optics, increasing its versatility for various missions.

Compatible Accessories

- **1-position sling with carabiner** : For easy carrying of the weapon.
- **MIL-STD 1913 Rail** : Allows the addition of accessories such as tactical lights or laser pointers.
- **Full Grip** : Improves grip and control when shooting.
