Easy installation and perfect compatibility with FABARM Martial models, improving the handling and performance of your weapon.

46 cm (18") barrel for Fabarm model Martial pump shotgun.

Colour: OD Green

Design and Ergonomics

This 46 cm barrel is designed to integrate perfectly with FABARM Martial shotguns, offering a simple and quick installation. Its length reduces the bulk of the weapon, facilitating its use in tight spaces, while the OD Green finish ensures increased resistance to harsh environmental conditions.

Technical characteristics

- **Caliber** : 12/76 mm
- **Barrel length** : 46 cm (18")
- **Finish** : OD Green
- **Compatibility** : FABARM Martial shotguns
- **Legal category** : C

Technical Glossary

- **OD Green** : Short for "Olive Drab Green", a green shade commonly used for military equipment due to its stealth and ability to blend into natural environments.

Standards and Certifications

FABARM guns comply with current safety and quality standards, guaranteeing reliable and long-lasting use.

Care and Maintenance

To maintain optimum performance, it is recommended to clean the barrel regularly after each use. Applying a thin layer of protective oil to the metal surfaces will prevent corrosion and ensure increased longevity.

Comparison with other models

Compared to the 61 cm barrel available for the Martial model, this 46 cm barrel offers better handling thanks to its reduced length, which makes it particularly suitable for interventions in confined environments.

Compatible Accessories

- **Interchangeable Chokes** : To adapt the dispersion of projectiles according to specific needs.
- **Picatinny Rails** : Allow the addition of optics or tactical accessories for optimal customization.

These accessories allow you to customize the Martial shotgun according to the preferences and requirements of each user, thus improving its effectiveness in the field.
