

Cal. 12

SKU	Designation	RGA	French Law
FAP19	Pack for STF12 and Martial (OHR30 + Support 4 c + Strap + lamp)	BD995	C

Equip your Fabarm STF12 or Martial rifle with this complete pack, optimizing your tactical interventions.

This pack includes a Nikko Stirling Flash 1x30 red dot for rapid target acquisition, a Nuprol tactical light with remote control for increased visibility, an extendable and detachable single-point sling for comfortable carrying, and a side holder for 4 rounds, ensuring optimal responsiveness in critical situations.

Pack contents

- Nikko Stirling Flash 1x30 Red Dot** : offers fast and precise aiming thanks to its illuminated reticle, facilitating the acquisition of moving targets.
- Nuprol Tactical Light with Remote Control** : Provides powerful illumination for operating in low light conditions, with a remote control for easy activation without changing the grip of the weapon.
- Detachable, extendable single-point sling** : Ensures a secure and comfortable rifle carry, allowing for quick transition between shooting positions.
- 4-Round Side Magazine Holder** : Allows for quick reloading while keeping extra ammunition close at hand, essential for maintaining cadence during critical operations.

Compatibility

This pack is specially designed for Fabarm STF12 and Martial shotguns, ensuring easy installation and perfect integration with the weapon.

Technical advantages

- **Improved Accuracy** : The red dot facilitates fast and accurate aiming, reducing engagement time.
- **Increased Visibility** : The tactical flashlight provides effective illumination in low-light environments, increasing safety and situational awareness.
- **Optimized ergonomics** : the single-point strap provides easy handling of the weapon, improving comfort during extended missions.
- **Operational efficiency** : The side cartridge holder allows quick access to ammunition, crucial for operations requiring frequent reloading.

Installation and maintenance

Installation of accessories is simple and does not require permanent modifications to the weapon. It is recommended to follow the instructions provided for each component to ensure a secure fit. Regular maintenance, including cleaning surfaces and checking fasteners, will ensure optimum performance and increased longevity of the equipment.

By integrating this pack into your Fabarm STF12 or Martial rifle, you significantly improve your operational capabilities, preparing you to face the most demanding situations with efficiency and confidence.
