Unmatched impact power for tactical shooting

Remington Express Magnum 12/76 - 00 Buckshot cartridges are designed to provide **immediate knockdown** and **effective dispersion** at short and medium ranges. Their **15-shot Magnum load** maximizes target coverage, ensuring a **high hit probability and instant stoppage** .

Benefits and Performances

- ? **Ultra-powerful Magnum load** : More pellets for optimal shooting coverage.
- ? **Optimized dispersion** : Homogeneous impact on the target at short and medium distance.
- ? **Maximum efficiency** : Ideal for area control and tactical interventions.
- ? **Proven Reliability** : Tested and approved by shooting professionals.

Comparison with other ammunition

Compared to **Slug cartridges** , **00 Buckshot** offers a **dispersion effect** that improves impact coverage on a moving target. It is ideal for **shooting in confined environments** , where responsiveness and shock effect are essential.
