Unmatched impact power for tactical shooting

Remington Express Magnum 12/76 - 00 Buckshot cartridges are designed to provide immediate knockdown and effective dispersion at short and medium ranges. Their 15-shot Magnum load maximizes target coverage, ensuring a high hit probability and instant stoppage.

Benefits and Performances

- ? Ultra-powerful Magnum load : More pellets for optimal shooting coverage.
- ? **Optimized dispersion**: Homogeneous impact on the target at short and medium distance.

- ? **Maximum efficiency**: Ideal for area control and tactical interventions.
- ? **Proven Reliability**: Tested and approved by shooting professionals.

Comparison with other ammunition

Compared to **Slug cartridges**, **00 Buckshot** offers a **dispersion effect** that improves impact coverage on a moving target. It is ideal for **shooting in confined environments**, where responsiveness and shock effect are essential.
