A super-powerful tactical ammunition

Remington Express Magnum 12/76 - 000 Buckshot cartridges are specially designed for applications requiring extreme impact force . Thanks to their **000 Buckshot pellets** , they ensure **efficient dispersion while maintaining optimal penetration** , perfect for **tactical and defensive situations** .

Benefits and Performances

- ? **Superior Penetration** : Large caliber pellets for increased impact.
- ? **Powerful Magnum Charge** : Maximum kinetic energy for an immediate shock effect.
- ? **Reliability and Consistency** : Field-proven Remington design.
- ? **Controlled dispersion** : Perfect balance between fire coverage and targeted impact.

???? Comparison with other ammunition

Unlike **Slug cartridges** , which deliver energy concentrated on a single point, **000 Buckshot** allows for **controlled dispersion** , ensuring **effective coverage of multiple potential targets** . It offers **superior penetration** to **00 Buckshot** buckshot, ideal for **demanding tactical applications** .
