Three different loads (9, 12 and 21 grains) to suit all tactical and professional shooting needs.

FOB Tradition Chevrotine 12/70 cartridges are designed to provide **controlled dispersion and optimized impact power** . Available in **9, 12 and 21 grain loads** , they allow you to adapt the **density and impact force** according to the mission. **Reliable and consistent** , they guarantee consistent performance for **law enforcement, intervention units and demanding tactical shooters** .

Three charges for tailored performance

The **FOB Tradition Chevrotine 12/70 cartridges** are available in three configurations, allowing you to choose the ideal power according to the operational need:

- **9 grains** : A lighter load offering **reduced recoil and better rapid fire management** .
- **12 grains** : An **ideal compromise** between **power and control** , perfect for all-round situations.
- **21 grains** : A **heavy load for maximum impact** , ensuring **increased penetration and even dispersion** .

Benefits and Performances

? **Three loads adapted to every tactical need** : Less recoil with **9 grains** , balance with **12 grains** , maximum power with **21 grains** .

? **FOB quality** : French manufacturing guaranteeing **precision and regularity** .
? **Controlled dispersion** : A **buckshot designed for maximum effectiveness in tactical engagement** .
? **Ideal for intervention forces** : Developed for **demanding professionals** .
