The **Tisas PX-9 Duty Gen 3 Stainless** is designed for shooters looking for a versatile and stylish weapon. Its two-tone forged steel slide stands out visually while ensuring robustness and reliability on the range.

Customizable ergonomics

Supplied with **three sets of backrests** and side plates, the PX-9 easily adapts to the shooter's hand. The **textured grip** and straight trigger guard enhance comfort and shooting control.

Optic Ready compatibility

Designed to accommodate an RMR-type red dot sight, the PX-9 Duty is **optic ready** . Its **high fiber optic sights** , compatible with Glock, allow co-witness aiming with a red dot.

Controls and handling

Front and rear grip ridges on the slide ensure smooth handling. The removable magwell simplifies and speeds up magazine changes.

Enhanced security

A bright red indicator light indicates whether the firing pin is cocked. The extractor, also marked bright red, allows for visual and tactile verification of the presence of a cartridge in the chamber.

Accessories included

Delivered in a case with two 18-round magazines (P226 compatible), an inside holster and a cleaning kit, it is ready for immediate use at the shooting range.

- **Picatinny rail:** integrated under the frame
- **sights:** front fiber optic / Glock-type notched rear sight
- **magwell:** removable
- **accessories supplied:** holster, cleaning kit, 2 chargers
