Latest evolution of the 2011 TISAS with its bull barrel

The **Tisas 2011 Night Stalker Bull Barrel 9x19mm** features a Cerakote Platinum Grey finish, threaded barrel, and openwork slide. Designed for performance and intensive sport shooting, the Tisas 2011 Night Stalker Bull Barrel 9x19mm features a Cerakote Platinum Grey finish, threaded barrel, and openwork slide.

- **caliber:** 9x19 mm
- **total length:** 232.3 mm
- **height:** 154.9 mm
- **width:** 38.2 mm
- **barrel length:** 136.1 mm
- **line of sight:** 163.2 mm
- **weight without charger:** 1013 g ±10 g
- **weight with full magazine:** 1314.7 g ±10 g
- **magazine capacity:** 17 rounds
- **trigger:** single action, full right
- **trigger start weight:** 2100 g ±100 g
- **carcass:** forged carbon steel
- **cylinder head:** forged openwork carbon steel
- **grip:** textured polymer
- **safety features:** manual safety, rear pedal, openwork hammer

The **2011 Night Stalker** is designed for accuracy and consistency on the range. Its bull barrel configuration, optic-ready compatibility, and features make it a high-end model for demanding sport shooters.

Threaded Bull Barrel

The **bull barrel** is a thickened barrel that eliminates the need for a muzzle bushing. Forged and chrome-plated, it has a 1/2x28 thread with a protective ring, allowing the installation of a sound moderator or compensator.

Openwork cylinder head

The **openwork cylinder head** lightens the moving mass, reduces lift and improves cycle speed. It contributes to better stability for fast sequences.

Cerakote Platinum Grey finish

The **Cerakote finish** provides exceptional protection against corrosion and wear, while providing a modern and unique aesthetic.

Ergonomics and comfort

The flared magazine well with magwell facilitates rapid reloads. The textured polymer grip and extended safety pedal enhance weapon control.

Optic Ready compatibility

Prepared to receive a standard RMSc red dot, the Night Stalker also has Glock-type fiber optic sights, allowing co-witness aiming with a red dot.

Accessories included

Supplied in a case with 17-round stainless steel double-stack magazines, the model is ready to use for a premium shooting experience.

- **Picatinny rail:** integrated under the frame
- **sights:** front fiber optic, Glock-type notched rear sight
- **magwell:** integrated and flared
- **accessories supplied:** case, 17-shot stainless steel magazines
