Enlarges the magazine well opening for smoother reloads.

Tisas Magwell 2011 black designed to facilitate magazine insertion on 2011 type pistol, with pin mounting supplied.

- **Compatibility:** Tisas 2011
- **Length:** 68 mm
- **Width:** 3.8 mm
- **Height:** 18 mm
- **Weight:** 30 g
- **Color:** black
- **Packaging:** blister pack

To improve consistency during magazine changes, this **magwell for the Tisas 2011** makes a real difference at the shooting position. Its widened feed opening is immediately noticeable, naturally guiding the magazine without altering the platform's design.

Inserting the charger is more intuitive

The role of a **2011 magwell** is simple: to offer a wider and more forgiving magazine entry area. In practice, this helps to insert the magazine more smoothly, especially during **sport shooting** sequences where the repeatability of the action is crucial.

Mounting with supplied pin

This model comes with its **mounting pin** , a practical detail that simplifies installation and eliminates the need to search for an additional part. The assembly remains clean, consistent with the weapon, and designed for regular use on the **Tisas 2011** platform.

Compact size and black finish

Weighing only 30g, this accessory adds a useful function without unnecessarily increasing the overall weight. Its **black** finish blends seamlessly with the gun's design, creating a sleek and technical look.

- **Accessory:** Enlarged magazine well
- **Mounting:** via included pin
- **Use:** sport shooting on a compatible platform
- **Presentation:** delivered in blister packaging

FAQ

Is this magwell compatible with a 2011 Tisas?

Yes, this magwell is designed for compatibility with Tisas 2011 pistols.

Is the mounting pin included?

Yes, the accessory comes with its mounting pin.

What is the point of a magwell on a 2011?

A magwell widens the magazine well opening to facilitate magazine insertion and improve reload consistency.
