An essential accessory on the field

Whether during a match, training session, or coaching activity, the **200/B 3mm white nylon whistle lanyard** keeps your whistle always within easy reach. Its simple and effective design perfectly meets the needs of referees, sports coaches, security personnel, and activity leaders.

Durability and everyday comfort

Made from **high-strength nylon** , this lanyard withstands repeated use while maintaining its flexibility. Lightweight around the neck, it moves naturally with you without causing discomfort, even during prolonged activities.

A reliable attachment for greater peace of mind

In the field, every second counts. Thanks to its secure fastening system, the whistle remains readily accessible. We particularly appreciate its ease of use, which prevents loss and facilitates rapid intervention.

Versatility of use

This model fits easily into many professional and community settings. Its discreet white color gives it a simple appearance suitable for various contexts.

- **Destination:** refereeing, sport, coaching, entertainment, security
- **Wearing it:** around the neck
- **Maintenance:** simple cleaning with clean water
- **Size:** minimal

FAQ

Is this cord compatible with all whistles?

Yes, it fits most whistles equipped with a standard ring or attachment point.

Does nylon withstand heavy use?

Yes, the nylon used offers good wear resistance and is suitable for regular use in sports or professional environments.

Is this cord comfortable to wear for several hours?

Yes, its lightness and flexibility allow for prolonged wear without hindering the user's movements.
