The Scorpio V from Victrix Armaments is a precision rifle designed for professionals in tactical and military shooting. Thanks to its one-piece chassis in aeronautical aluminum, it guarantees maximum stability and

optimum resistance to extreme conditions.

Its stainless steel barrel is cold hammered for exceptional durability and accuracy. Each shot is controlled with an adjustable trigger, allowing perfect customization to meet the needs of the most demanding shooters. The fully adjustable stock allows the weapon to be adapted to all body shapes, ensuring comfort and precision in any situation. With its integrated Picatinny rail, the Scorpio V is ready to accommodate cutting-edge optics and tactical accessories for successful long-range missions.

Whether you are a security professional, military or precision shooter, the Scorpio V gives you total shooting mastery. Discover the perfect blend of technology and craftsmanship with Victrix Armaments.
