ET3275	Double magazine holder 9 mm	Vente libre	Black	40.00 € incl. tax

**The mu-mh-14 double plastic holster, ubc-02 attachment, with Universal automatic retention is intended for carrying a wide range of 9mm double column magazines for service weapons.**

The two cases pivot on the belt simultaneously, while their mutual position remains unchanged.

The adapter makes it easy to port on the right or left side.

The ubc-02 quick-release system allows it to be installed on the belt without having to unhook it.

The gap between the transported material is much smaller with this clip system.

- The case can be rotated around the belt by 360 degrees with 16 stop positions.
- Compatible with the soft system.
- Black color
