A reliable and affordable shotgun for defense and sport shooting!

The Mossberg Maverick 88 Security 12-gauge pump-action shotgun 20-inch barrel reliable weapon in all circumstances 7+1-round tubular magazine

The **Maverick 88 Security** is a pump-action shotgun designed to be **accessible and efficient**. Part of the Mossberg range, it shares many parts with the famous **Mossberg 500**, ensuring **compatibility with a wide range of accessories** and simplified maintenance.

Thanks to its **51 cm barrel and its cylinder choke**, it is particularly suitable for defensive situations and short-range shooting. Its **5+1-shot** tubular magazine allows you to chain shots without frequent reloading, an asset for home protection and tactical training.

The Maverick 88's ergonomic design includes a **weather-resistant synthetic stock**, ideal for outdoor use or in harsh conditions. Its smooth, responsive pump action system ensures a fast, accurate rate of fire.

Finally, the position of the safety on the trigger guard allows for **rapid activation**, suitable for both right-handed and left-handed shooters. Its moderate weight makes it easy to handle, making it accessible to shooters of all levels.

The advantages of the Mossberg Maverick 88 Security

- ?? **Excellent value for money** for a reliable and affordable shotgun
- ?? **5+1 shot capacity** for optimal autonomy
- ?? Impact and weather resistant **polymer stock and handguard**
- ?? **Simple and effective mechanism**, ideal for beginners and pros alike
- ?? **Compatible with many Mossberg 500 accessories**

FAQ - Frequently Asked Questions

? What is the capacity of the Mossberg Maverick 88 Security?

It has a **5+1 round** tubular magazine, offering good autonomy in defense or sport shooting situations.

? Can we add accessories like a lamp or a front handle?

Yes, this shotgun is **compatible with several Mossberg 500 accessories**, including light rails and grips.

? Is the Maverick 88 a good option for home defense?

In the United States, it is renowned for offering **excellent responsiveness and intuitive handling**, while

remaining affordable.

? **What type of cartridges can I use?**

It accepts **12/70 and 12/76 Magnum caliber ammunition** , compatible with various types of loads (lead, buckshot, slug).

? **What is the difference between the Mossberg Maverick 88 and the Mossberg 500?**

The **Maverick 88** is a more economical version of the **Mossberg 500** , with minor differences such as the position of the safety (on the trigger guard instead of the receiver) and some variations in materials.
