EN6530	Lubricant Lub & Cor in bottle 100 ml with drip hole - Brunox	Vente libre	13.8	100	15.00 € incl. tax

The anti-corrosion lubricant specifically developed by Brunox for Wet Arms

Specially develop for the conservation and maintenance of weapons in wet or maritime environment.

Ideal for hunters at the hut, sailors, overseas military ...

- Bottled 100 ml: no propellant: no pollution or loss of pressure.
- With drip hole.
- Lubricates, greases and maintains all mechanical weapon parts.
- Combines moisture and effectively protects against rust and corrosion.
- Designed for storing and transporting weapons in salty or humid marine environments.
- Forms an extra-thin protective film after drying that does not harden and removes with a simple blow of cloth for the outside of the weapon and a stroke of swab in the barrel.

To be combined with a Brunox Turbo Spray oil for the periods of use of the weapon.

- No silicone, teflon (PTFE) or graphite.

The product that demanding weapons enthusiasts, hunters and the military waited for !!!
